**THE PARTIES' JOINT MOTION TO
CONTINUE PRETRIAL ORDER
DEADLINE**

1 Plaintiff Securities and Exchange Commission (“Plaintiff”) and Defendant Ascenergy
2 LLC, Defendant Joseph Gabaldon, and Relief Defendant Alanah Energy, LLC (collectively, the
3 “Appearing Defendants”) submit this Joint Motion to Continue the Pretrial Order Deadline, and
4 respectfully show the Court as follows.

5
6 1. On November 3, 2016, the Court entered an Order requiring the parties to file a
7 joint pretrial order no later than January 9, 2017. ECF No. 74.

8 2. To conserve resources, the Court set the pretrial order deadline 30 days after the
9 Court-ordered settlement conference in this matter. *Id.* That settlement conference was initially
10 scheduled for December 8, 2016. *Id.*

11 3. However, on November 10, 2016, the Court entered an order continuing the
12 settlement conference to January 24, 2017. ECF No. 75. The order did not specifically address
13 the January 9, 2017 pretrial order deadline.

14 4. To conserve judicial and party resources, the parties respectfully request that the
15 Court continue the pretrial order deadline until: (a) further notice of the Court, or alternatively,
16 (b) 30 days after the Court rules on Plaintiff’s pending Motion to Set Remedies Amounts and for
17 Entry of Final Judgment against the Appearing Defendant [ECF No. 76], or alternatively, (c) 30
18 days after the completion of the settlement conference.

19 5. The Court has entered an Agreed Judgment against the Appearing Defendants.
20 ECF No. 63. As set forth in the Agreed Judgment, the only issue remaining as to Plaintiff’s
21 claims against the Appearing Defendants is the determination by the Court of Plaintiff’s motion
22 to set the amount of civil penalties, disgorgement, and prejudgment interest. *Id.*¹ If no
23 agreement on remedies is reached at the settlement conference, the parties anticipate that the

27 ¹ The Court authorized Plaintiff to file its pending motion to set the amount of remedies and to enter Final Judgment
28 in the Agreed Judgment, and the Court may decide the motion based solely on the parties’ submissions. *Id.* at III.

1 Court will set the amount of remedies and enter Final Judgment against the Appearing
2 Defendants.

3 6. Accordingly, the parties do not believe that any triable issues between them
4 remain.² To the extent the Court determines a joint pretrial order is appropriate under the
5 circumstances, the parties request leave to file the pretrial order upon further notice of the Court,
6 or alternatively, 30 days after the Court rules on the Plaintiff's pending Motion to Set Remedies
7 Amounts and for Entry of Final Judgment against the Appearing Defendant, or alternatively, 30
8 days after the completion of the settlement conference.
9

10 7. The requested relief will conserve judicial and party resources and will not delay
11 the resolution of this action.

28 alternatively, a Request for Entry of Default Judgment against Pyckl.
